## Summer Reading Assignment for Incoming 7<sup>th</sup> Graders due September 8<sup>th</sup>, 2017

### ELA Enrichment Work

You are receiving this Ready book for your summer assignment. Upon returning to school in September you will hand this assignment in to your ELA teacher. **You will complete pages 1 through 31. These pages include multiple choice questions, short answer questions, and an essay. Please complete the assignment directly in the booklet.** This book will be used periodically throughout the school year and will be included in your student portfolio, so it is imperative that you do not lose this book. Please do not complete any sections other than those you are assigned. Again, this booklet will be used throughout the year, so if students lose this book at any time, they will have to replace the book at the cost of \$8.00. If you would like to reference the rubrics which will be used to grade this enrichment work, they can be found on the JHS185.org website under "summer reading."

### Reading Log

You will also be responsible for reading over the summer to keep your reading skills sharp for September. Please choose books you've never read before. **You must read at least 15 hours total during the summer, and log your reading activity on the attached sheet.**
